About Three Oaks

Three Oaks is a privately-owned care home registered to accommodate twenty residents.

Many of our bedrooms have en suite toilets and all have private washing facilities. We have extensive communal areas and gardens.

There is an emergency call system in every room, including bedrooms.

Activities

We encourage our residents to stay mentally and physically fit with regular activities and entertainment.

Our activities coordinator offers sessions based on residents' wishes.

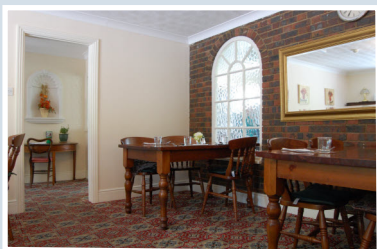

We have daily activities including exercises, quizzes, reminiscence and bingo.

Books, board games, jigsaw puzzles and playing cards are always available.

Eating and Drinking

Our menu has been drawn up with the help of our residents. It features traditional home-made British food with the occasional pasta or curry dish.

The menu is planned on a four-week basis to avoid repetition and to ensure a balanced diet.

Drinks and snacks are served throughout the day from our homely kitchen.
